

THIBAUT'S
ART
WALL PAPERS

WE offer on the following pages a few suggestions for decorating your home with our inexpensive Wall Paper.

While it is impossible with this small book to do justice to the high class designs which we show this year, we have endeavored to give you some idea of the effect they will have on a room.

DON'T FAIL to see our samples before you buy. You can save money on Wall Paper for one room or your whole house. Our sample books, containing hundreds of New Designs in the Latest Colorings, at prices ranging from 5c. to 50c. per roll will be sent to your house for inspection by addressing
